

Cajun Modelfest 32

October 27th, 2018

This year's theme is "First things First". The theme entries must depict persons or things that pertain to either being first or being first of its kind. Examples might be anything to do with being first to accomplish something like a land speed record, First to land on the moon, the first time something happened, the first to win a race. The more creative you are, the better your chances are on winning the Theme Award.

LSU Ag Center 4H Minifarm Building

IPMS Members:

Show your membership card for \$2.00 off your entry fee!

Everyone Else:

Take \$1.00 off your entry fee by presenting this flyer at registration!

Registration 8:00 AM until Noon

Contest will be held at the LSU AgCenter 4H Minifarm, on the LSU Campus. It is located behind (to the South of) the Parker Coliseum.

From I-10 Westbound:

Exit at Acadian Thruway, turning left under the Interstate. Stay in the left lane. Acadian will change names to become Stanford / LSU Avenue. Proceed on Stanford to Highland Rd. and turn right. The venue is just off Highland Rd. on Ag Center Dr., to your right.

From I-10 Eastbound:

While on the Mississippi River bridge, stay in they right-most lane. Exit at Nicholson / LSU 155A. Merge left onto Highland Rd. Travel on Highland approximately 2.5 miles, through the LSU campus to AgCenter Drive, on your left

Once You're Here:

In all cases, you may drive up Ag Center Dr. to the venue to drop off your models, but you must park in the Parker Coliseum parking lot for the remainder of the day.

If you're lost, call Sid: 225-776-5286
